BRIEF ABSTRACT OF LETTER

States that G O No 6624-74/ Mul 195-14-2 of 25-2-1915 makes a distinction between official Vice-Presidents and Non-official Vice-Presidents of Municipalities and suggests that as this may possibly give rise to heartburnings, the distinction may be removed.

NOTES AND ORDERS

Mr Bowring does not state in what particulars a distinction has been made between official and non-official Vice-Presidents. The G O of the 25th Feb 1915 does not make any distinction.

Dear Sir,

Government Proceedings No. 6624-74/Ml. 195-14-2 dated 25th February 1915 makes somewhat a distinction between Official Vice Presidents and Non-official Vice Presidents of Municipalities. Sir,

With reference to para 3 of the Government order No. 6624-74/Ml 195-14-2 dated 25th April 1915 regarding the rates of Travelling Allowance admissible to the delegates and non-official Vice-Presidents proceeding to Mysore to attend the Local Board and Municipal Conference, I have the honor to state that on the motion of the Vice-President, Tumkur Town Municipality, the Municipal Council have resolved that the Non-Official Vice-Presidents of District Head-Quarter Municipalities may be allowed the same rates of travelling allowance as those allowed to Official Vice-Presidents. Considering that the Non-Official Vice-President at Tumkur is a retired Assistant Commissioner, and that in the other Municipalities also which have Non-Official Vice-Presidents, these Officiers are persons of respectability and status, I think that the rates of Travelling Allowance allowed to them in the Government order under reference is too low and I therefore beg to recommend that they may be allowed the same rates as Assistant Commissioners.

2. With regard to the Travelling Allowance payable to the delegates, the members of the Municipal Council of Tumkur are of opinion that either the delegates should get the increased rate of Travelling allowance recommended in the case of the Vice-President as stated above or that they should be asked to bear their own expenses. They consider the offer of a low rate of Travelling Allowance as

Sir

With reference to your letter No 9 requesting that non-offl Vice Presidents of Municipalities & delegates attending the Intl Conference at Ispore be permitted to draw the same rates of t.a as are allowed under

I am directed to acknowledge your reference to the Foreign Office No 9110-9/mal 1945-11-15 & 20 & 45

that Govt have no objection to non-official Vice Presidents drawing the same rates of T.A as official Vice Presidents with the approval of the local Bodies concerned & for such delegates, however, it has always been presumed that public Associations elected to send delegates to attend the conference will consider themselves honoured by nominating such a worthy & competent person and will attend the Conference at their own expense. The annual provision made in the G.O of the 25th February 15 was intended merely to meet exceptional cases of inability to bear the entire cost. I am therefore to express the hope that you will be able to arrange your proposal accordingly.
